
Search Engine Optimization Proposal for Big Times Safaris

Prepared for: Steve Aminga, Director, Big Times Safaris

Prepared by: Reisen SEO

Date: 2024-04-05

Executive Summary

Reisen SEO is thrilled to present this SEO proposal to Big Times Safaris. We understand your desire to attract more potential customers seeking unforgettable Kenyan safari experiences. Our analysis reveals a significant opportunity to improve your website's ranking on Google's first page for high-volume keywords like "Kenya Safari" and "Masai Mara Safari."

Currently, these searches represent a pool of **2,000 potential customers** per month for "Masai Mara Safari" and **3,000** for "Kenya Safaris" in the U.S. market alone. By implementing a comprehensive SEO strategy, Reisen SEO can help Big Times Safaris capture a significant share of this valuable audience.

Proposal Objectives

Our primary objective is to propel Big Times Safaris' website to the top of Google's search results pages (SERPs) for key safari-related search terms. This will significantly increase organic website traffic, attract qualified leads, and ultimately drive conversions and sales.

Our Approach

Reisen SEO employs a data-driven approach to SEO, focusing on:

- **In-depth keyword research:** We'll identify the most relevant and high-performing keywords that target your ideal customer base.

- **Technical SEO audit and optimization:** We'll analyze your website's technical health and implement necessary changes to ensure optimal search engine crawling and indexing.
- **On-page optimization:** We'll optimize your website content with relevant keywords, meta descriptions, and title tags to enhance search engine understanding and user experience.
- **Content strategy and creation:** We'll develop high-quality, informative, and engaging content that establishes Big Times Safaris as a thought leader in the Kenyan safari industry.
- **Link building:** We'll implement a secure and sustainable link-building strategy to increase your website's authority and trust in the eyes of search engines.
- **Performance tracking and reporting:** We'll provide regular reports on key metrics like website traffic, keyword rankings, and lead generation to demonstrate the impact of our SEO efforts.

Benefits of Working with Reisen SEO

- **Increased organic website traffic:** Attract more qualified leads actively searching for Kenyan safari experiences.
- **Improved brand visibility:** Achieve prominent placement on Google's SERPs, boosting brand awareness and online presence.
- **Enhanced conversion rates:** Convert website traffic into paying customers through a user-friendly and optimized website.
- **Measurable results:** Track progress with comprehensive reports to demonstrate the return on investment (ROI) of your SEO strategy.

Next Steps

If you're interested in learning more about how Reisen SEO can propel Big Times Safaris to the forefront of online safari searches, we'd be happy to schedule a live demonstration with our SEO Data Analyst. This demonstration will showcase our tools and provide a deeper understanding of how we can optimize your website for success.

Thank you for your time and consideration. We look forward to partnering with Big Times Safaris and helping you achieve your online safari booking goals!

Sincerely,

The Reisen SEO Team
